CAVATINA HALL

Music is emotion. We give them space. At Cavatina Hall, we act holistically, offering audiences exposure to music from all corners of the world in a comfortable space.

We also open our interiors to young talents and interesting ideas. We delight in music and good company, which is why we create this place as open to everyone.

CAVATINA STUDIO

Cavatina Studio is the heart of the Cavatina Hall facility. It is responsible for the realization of concerts and recordings on the main stage through the use of a direct connection to the hall, which makes it possible to realize recording sessions with large ensembles of musicians, combined broadcasts from the concert hall for television and the Internet – in technically and acoustically favorable conditions.

CAVATINA FILM PRODUCTION

The group has also developed in-house activities in film, resulting in the creation of Cavatina Film Production in 2016. It is engaged in the production and promotion of independent cinema, with the aim of supporting outstanding projects across various areas of cinematography.

PENSIERI DI CAVATINA TIMELESS TUSCANY, CRAFTED BY CAVATINA

Pensieri di Cavatina is a boutique hotel by Cavatina, set within a historic 17th-century estate near Siena. Surrounded by rolling vineyards and centuries-old olive groves, the estate produces its own organic wines and extra virgin olive oil, continuing the traditions of the Tuscan land.

With 14 elegant rooms and a culinary team that transforms fresh local ingredients into dishes where innovation meets heritage, the hotel offers an experience that captures the true spirit of Tuscany — refined, authentic, and deeply connected to place.
